

## Girls Volleyball Booster Club Meeting

1/12/23 Start time @ 6:30

Attendance: Coach Sayler, Jenn AuClair, Jill Offredi, Veronica Connors, Tricia Wickes, Shannon Diep and Mindy Gillespie via Facetime.

Jenn started going over the budget items. She also stated that the 1099 tax forms are sent out soon to anyone that we paid over \$600 to.

The Booster Club is tax exempt as long as we keep our balance under \$50,000.

We then discussed the scholarships. We decided that in order to receive a scholarship the student will have to apply. We set a total amount of \$2,000. That amount will be divided by the number of students that apply. (Ex: 5 seniors, 4 apply the  $\$2000/4 = \$500/\text{each student}$ . If all 5 apply then  $\$2000/5 = \$400/\text{student}$ )

Coach Dani requested passing triangles that would be used primarily during camps and with our modified teams. We agreed that we would purchase them for her.

Coach Dani did state that they would be getting new modified jerseys. In addition we agreed that a Teacher Appreciation Game would be added next season. We also discussed moving the JV and Varsity tournaments to back to back weekends.

In March, Shannon Diep will send out an email with the nominations for the board for next season. We will then vote on them in April. In addition the scholarship applications will go out in April, be due in May and then given in June.
