Date will be 12/3 @ 5 pm. We went through the options that Veronica provided for Pasta's on the Green. Veronica had brought copies of the menu and pricing. We decided to go with option #1, which is a buffet style. It is priced at \$17.99pp, plus 8% NYS sales tax and a 20% banquet fee. There is also a \$30 linen charge and a \$0.25 linen napkin charge. When we call to confirm and book a couple items to check on are:

- What other drink options would we be able to get?
- For example could we get a pitcher of soda, or lemonade?
- Also pitchers of water for the tables?

We will have a table for H.E.L.P

Veronica will order cookies to give the players and coaches as a "gift".

Tricia will order a full sheet cake for dessert from Costco. Have something along the line of "Congratulations on a great season" written on the cake.

Tricia will work on getting a balloon arch. We have some balloons already, however we might need some more.

Coach gift ideas were discussed.
