

## Baldwinsville Girls Volleyball Booster Club Notes

9/25/2023 @ Baldwinsville Public Library

Attendees: Mindy Gillespie, Shannon Phelps, Tricia Wickes, Veronica Connors, Jill Offredi, Mandi Dixon, Shannon Diep

Start 6:30

We held this meeting earlier than usual, since we had important dates coming up and needed to make sure that we were organized and on the right page. We also needed to elect a new President and vote her in since Mindy was stepping down.

### Mindy

- stated that she put the order in for the Ad Campaign today. It should be ready in 2 weeks. She will let us know when it is ready and one of us can go pick it up. She also handed over the binder with all of the previous information in it to Mandi Dixon, who will hold onto it, until someone is put in charge of it for next year.
- She also resigned as President of the Booster Club since she no longer had children playing the sport on one of our teams.

Mandi Dixon had been interested in the position so Shannon Diep nominated her for the President role and Shannon Phelps seconded the motion. The rest of the members in attendance all agreed and Mandi Dixon is now our new President.

### Tournament

- Tricia will be making 24 salads for the Varsity Tournament/16 for JV Tournament. She will also get a donation from TOPS to use towards the purchase of her ingredients. We agreed \$4/salad
- Mandi will be making 50 pasta salads and they will be in 8 oz containers.
- Veronica organized the food pickups
  - Chick Fil A is already paid for; there will be 150 sandwiches ready at 10:30. 50 Sandwiches will go to Ray and 100 will go to Baker. Gia Diep will plan to pick it up and make sure that they give us sauces for each location.
  - Subway will have 50 sandwiches (25 Ham/25 Turkey) ready for us at 10:30. We are seeing if these can be paid for in advance. 15 of each sandwich will go to Baker (30 total) and 10 of each will go to Ray (20 total). Dave Wickes will plan to pick these up.
  - Sals will be bringing pizza deliveries. We will have 2 deliveries for each location. First will be @ 10:30 Baker will get 10 cheese and Ray will get 5 cheese. Then @ 1:00 Baker will have 10 cheese and Ray will get 5 cheese. Each cash box will have 2 envelopes in it for 2 separate tips, one for each delivery. The pizza's themselves will be paid for in advance.
  - Stewarts will have the chocolate milk, donuts and cookies ready. Shannon Diep will meet Veronica Connors at 6:30am to grab the orders along with some ice. Shannon Diep will bring the Ray items and Veronica will bring the Baker items.

## Senior Night 10/10

- Jill stated that the shirts are ordered
- Banners are in progress
- Fatheads are in the works, some photos were low resolution so needed to adjust
- We agreed after some discussion to have the celebration at the cafeteria after the game. That way we don't have to worry about the game going too long and it getting late for the restaurant to stay open. The following items still need to be ordered or taken care of. We have 5 Seniors
  - We will have sheet pizza
  - Cake
  - Cookies perhaps from Lauren Wickes as a favor for the players and coaches
  - Balloons
  - Flowers
  - In addition a program would need to be made.

## Teacher Appreciation 10/17

- We need to check with the Coach to see what type of information the girls need to have and what the girls may have been told already. We need to make sure that the invited honorees know the date/time. We will have a little something said about why they selected that teacher/staff. Provide a gift card, mini volleyball note card. Shannon Phelps said that she will take care of teacher appreciation.

## Fundraisers

- Chipotle Night 9/27
- San Miguel's 10/18 Shannon Diep to send out email to Varsity Parents once Veronica confirms an RSVP date. This will go to Varsity parents only stating that they will be getting together to eat at the restaurant as a team and family if anyone would like to join to just let us know how many would be attending. Note it will be paid for by the family members, not the booster club. Arrival 5:45-6:00.

## Dig Pink with Westhill

- During the meeting we decided to order laces and ribbons from the Dig Pink website. Jill took care of it during the meeting.

Warm ups were handed out to the players. In addition we made a profit of \$212.46 for the apparel store so far. Veronica will remind Shannon Phelps when we need to reopen for the modified season.

## Banquet

- We thought 12/3 would be a good date for the banquet. We will check with Coach Saylor before starting to look at venues. Possible venues are Pastas on the Green (last few years) and Fireside Inn, other options are possible, just want to keep it local.

## Fees

- We discussed adjusting some of our prices next year to account for the number of fees we incur. The amount that we are paying for insurance for times like camps needs to be looked into. We pay more for out of district players. Previously we held all camps in the district so we only had to pay 1 time for an in district player that participated in more than one of our camps. This year we only had 1 camp held in the district, not as much bang for our buck. Also Venmo fees need to be considered for next year.
