 - 24 players for the team camp are registered 15 are paid
 - We will need someone to check people in for the Little Kids/Big Kids and sell tshirts. Veronica Connors said she would be available.
 - No concession stand for the camps.

Mindy updated us on the following:

- She has set up a Facebook Page and invited us all to it
- Ad Campaign
 - Margaret said that her company would not be able to do it for us this year due to scheduling.
 - Looked into a company online and it would be approx \$300-\$500 to have them printed depending on size.
 - We would order enough for each player and also for the sponsors.
 - There was discussion around the fact that Basketball is soliciting sponsors this week. However after going through various scenarios we decided it would be best for us to go ahead with our ad campaign.
 - We will plan to have the girls solicit for donations after team camp in July.
 - We would need to have all well wishes and the program submitted to the printer by August 26th to have it back in time. (approx. 2 week turn around.)
- Mindy will get the Ipad from Mary Jo. We agreed to look into getting another full size ipad since it would be helpful to use for statistics.

We discussed other fundraising options as well such as a volley-a-thon or a serve-a-thon. However we agreed to table those ideas for now.

Bottle Drive on 7/9 at the Tops plaza location. Shannon will call and give them a heads up that we will have people bringing in bottles that day. This will be done mostly independently. We will also plan to do an organized drive possibly with a company that leaves a trailer on 8/27.

Coach Sayler discussed the following:

- She will schedule a preseason meeting via google meet on 6/21 @ 6:30pm. It will be a JV/Varsity preseason meeting.
- Coach will also check on prices for the warmups and jerseys. We are looking to possibly replace the tomato suits. She will look at what is available and the costs of them.
- We agreed to stick with the basic Hudle package.
- Planet Fitness in B'ville is offering free summer memberships for ages 14-18
- Also discussed Assistant Coaching and JV coaching. Also possible individuals who could lead a workout with the girls.
- Possible Senior Nights
 - 10/11 Henniger
 - 10/13 WG
 - 10/20 CNS

At this point we are thinking 10/13 for our Senior Night
