

# **Baldwinsville Varsity Volleyball Tournament 2023**

**17 Team Tournament**

**September 30, 2023**

## **POOL PLAY FORMAT**

The tournament will consist of 3 pools of 3 teams and 2 pools of 4 teams.

Teams in pools of 3 will play 3 sets against the other 2 teams in their pool for a total of 6 sets per the attached schedule. Teams in pools of 4 will play 2 sets against the other 3 teams in their pool for a total of 6 sets per the attached schedule.

## **SEEDING FOR BRACKETS**

The winner of each pool will be determined using the following criteria:

- Total number of matches won
- Head to head match results
- Total number of sets won
- Total point differential
- Coin toss

The number of matches won, and head to head results will only be used to determine the winner of each pool. Number of matches won and head to head results will not be used to determine the remaining seedings since not all teams will be playing the same number of matches.

The winner of each pool will advance to the GOLD Bracket as seeds 1 – 5. The remaining 12 teams will be seeded 6 – 17 using the following criteria only:

- Total number of sets won
- Total point differential
- Coin toss

The same criteria above will be used to determine the order of the pool winners as seeds 1 – 5 in the GOLD bracket (after the pool winners have been identified as the 1 – 5 seeds). Number of sets won is the primary factor in determining the remaining seeds since all teams are playing the same number of sets in pool play. No other criteria will be considered, including head to head results, to simplify the process so that all coaches, players, and fans can easily monitor their teams position throughout the day. Coaches should manage their teams accordingly. Match results on the boards at both locations will be updated as soon as possible as matches conclude.

Seeds 1 – 8 will play in the GOLD bracket. Seeds 9 – 13 will play in the SILVER bracket. Seeds 14 – 17 will play in the BRONZE bracket.

The GOLD and BRONZE brackets will be played at CW Baker High School. The SILVER Bracket will be played at Ray Middle School, according to the bracket layout attached.

All matches in the Gold, Silver, and Bronze brackets will be best of 3, games to 25, win by 2, no cap. Set 3, if necessary, to 15, win by 2, no cap.

Each school has large cafeterias where teams can camp before and between matches. Concessions will be available at both locations. Baldwinsville JV players will work each match and keep score. Please feel free to contact us if you have any questions. Thank you!
